

Additional Green Amenities...

Coffee

Enjoy our coffee by Katz.

Katz specializes in the finest coffees from sources that prioritize environmental responsibility and are Fair Trade Certified. Their commitment starts with “green” beans and ends with the close and careful attention they take in the roasting process. We hope you enjoy every cup.

Chickens

One of our guests’ favorite amenities!

Please visit with our happy hens, the girls are just good old fashioned free range hens made up of a variety of Heritage breeds. They live a simple organic lifestyle, are a great little recyclers, creating a natural composting system and producing fresh eggs for you to enjoy each day. Just ask us, we are happy to talk chicken with you.

Electric Vehicle Charging Station

Do you have an EV?

Plug in and charge your car right here. It’s on the house.

Bicycles

See Austin like a local—ride a bike!

Rental available onsite. We have great French street bikes, fully equipped for a safe day on the hike and bike path or citywide bike lanes. Enjoy a ½ day or 24 hour rental here at Park Lane. Bicycles provided by Austin Bicycle Company. <http://www.austinbicycle-co.com/partners/park-lane-guest-house>

Going for just a short commute? Grab a City of Austin B-Cycle at 1 of the 75 racks around town. The first 30 minutes are free. Ask us for details. <https://austin.bcycle.com>

We hope that staying at Park Lane contributes to your personal sense of peace and that our Urban Eco Oasis serves to inspire you and awaken fresh ideas and inspiration for how you, in your own life, may continue to contribute to making our world a better place.
